Here is a way to ensure the future of Cal State Fullerton Wrestling. Make a commitment to attend our camp for 5 years. Because the camp is a fundraiser for us, you will be donating directly to the scholarship and travel fund. Maybe you don't have the funds to personally donate \$1000 a year...but this way you can do your part and bring in a significant amount of money in to the program. The Team Camp is \$1400 for 17 wrestlers and breaks down to \$82/ wrestler for 5 days. You will have 2 duals each night and a 2.5hr clinic with TOP NCAA Clinicians. If you don't have enough for a team, bring your wrestlers to the individual camp for \$200 for 5 days July 6-10 from 9am-2pm \$250 will secure you a spot for the team camp, we anticipate selling out! Included is a Camp T-Shirt for each wrestler, a Coaches Education Clinic for your entire staff and 10 duals!
