

World of Wrestling/Wrestling USA/Cliff Keen Athletic

Elementary and 15 & Under National Rankings

This elite group is comprised of five age groups and seventy two weight classes. Each individual athlete's selection is based primarily upon their performance in the nation's largest wrestling events. Until the criteria, such as 1250 participants from at least 20 different states represented are set in place, the following tournaments will be used; the Cliff Keen Kickoff Classic, the Cliff Keen Tulsa Nationals, the Cliff Keen Reno Worlds and the Cliff Keen Eastern Worlds.

Please contact me, Jack Roller, at worldofwrestling@olp.net or by phone at 918-366-4411 to discuss any National event that meets these qualifications. These will be considered for next season and would be entirely up to each of you to submit the results to us within 5 days after each event. These rankings will not be based on popularity, area competed in, or who beat who... just a plain and simple point system (like our World All Star Team) earned by your athletes placement in each of these National Tournaments. We are very excited to pick the best in the Nation as we see it today!
