According to Coach Grimm...

The first NSIC dual ...

The team is excited to get started making a run at the conference title. I am eager to assert ourselves as a perennial title contender.

Expectations versus Northern State ...

I expect to see our guys be offensive minded. I hope to see us continue to improve upon the techniques emphasized in the practice room.

Key match ups...

Honestly, with Northern State being our first NSIC dual, all 10 weights are key match ups.

Keep your eye on ...

I am looking for all ten of our wrestlers to step up and show improvements from their last competition.

Home crowd advantage ...

It is already well known around the D2 ranks that Dorman Gym is a "fun" place to come into and wrestle. I love the energy and enthusiasm our fans bring to the meet.
