

# Best 2007 High School Juniors

By Dan Fickel, National Editor

**Editor's Note:** Here are rankings of the nation's best 2007 high school juniors as of 1-15-07. Several factors were considered in determining these rankings. They include: (1) accomplishments at the state high school championships (folkstyle) (2) National Junior Freestyle and Greco-Roman success (3) Cadet National Placement (4) performances at prestigious high school tournaments (5) information from coaches and parents (6) state from which nominees hail. **Weights are projected and subject to change.** An update will be forthcoming. Please send credentials, projected weights for this season, and color head shot photos of any listed or deserving wrestlers to:

**\$109.00 per set**

Introducing the **FOUNDATION WRESTLING SYSTEM**  
 Videos and training camps. Winning in wrestling as a competitor and coach revolves around 4 key areas. 4 pillars. You will learn that mental preparedness / match readiness, positioning, hand-fighting skills and technique (CORE techniques) make up the FOUNDATION to successful wrestling.

**PILLAR #1 MENTAL**  
 It has often been said that wrestling is 90% mental, but only a handful have taken the time or figured out how to teach their wrestlers to perform. I have diagnosed THREE areas / obstacles that hinder the performance of all wrestlers and will share with you my strategies on how to clear these hurdles. These skills are taught and provided in booklet format for wrestlers to study and coaches to use with their athletes.

**PILLAR #2 POSITIONING**  
 If you've ever watched high-level NCAA or Olympic wrestling, you have probably noticed how low-scoring the matches are. This is because of each wrestler's SOLID positioning skills. You will learn the 5 key 'power positions' and the drills to teach them. Big matches are won with Positioning. *Always have been...always will be.*

**PILLAR #3 HAND-FIGHTING**  
 Being aggressive in wrestling means attacking your opponent's wrestling stance...not shooting. At Foundation Wrestling, we do this 5 ways: PUSH / PULL / HIT / PICK / PASS. You will learn how to 'wear-and-tear' on your opponent with our hand-fighting skills and also learn how to implement hand-fighting into your workout routines.

**PILLAR #4 TECHNIQUE**  
 The FOUNDATION SYSTEM to the technical side of wrestling revolves around CORE techniques in CORE areas of wrestling. I have done all the leg-work and provide you with a recipe of WHAT TO DRILL, HOW TO DRILL, and HOW TO TEACH IT. For example, there are many moves, but only a few that will work at an NCAA level. I will focus you on the BEST ways to score from a front headlock, or a cross wrist position, etc. You will have a recipe of 'what' to do from the common positions in wrestling.

**PURLER WRESTLING**  
 "A trusted name in wrestling... A company you can count on!"  
 We can't possibly educate you on Foundation Wrestling in this one ad... so please visit our website today!
