

Summer wrestling camps at Brown University help athletes at every level – from beginner to advanced – build top-notch techniques and skills on our beautiful Providence, R.I. campus.

Each camp includes technique sessions and drilling followed by ‘live’ wrestling competition for athletes to practice newly learned skills in a match setting. In addition, each camper will receive personalized attention that suits their style of wrestling.

Sign up to reserve your spot at [Brown Wrestling Camps](#) and take advantage of all available camp discounts today!
