Greetings,

We are in our final push of the school year with exams this next two weeks and then summer begins! Most of the team has a busy summer planned with internships, summer training, and a little R&R before school starts back up in the fall. Below are the latest updates on the team and upcoming events we have planned.

Senior CJ LaFragola and alum Richard Muniz '17 are running the Providence Marathon this Sunday, May 5th to challenge themselves and help raise money for Beat the Streets Providence. Alum Kevin McCarthy '91 has also offered to match any donations from the wrestling community to this cause.

Please support these guys in their quest to run 26.2 miles!

NWCA All-Academic Team

This year Ian Butterbrodt and CJ LaFragola earned NWCA All-Academic honors and we finished #8 on the NWCA All-Academic Team! We are very proud of the work our team does in the classroom and on the wrestling mat.
