Friends of Clackamas Wrestling,

It has been one week since we launched our inaugural online campaign to benefit the Clackamas Community College wrestling program. As you have likely heard we have had to cancel our Crab Feed and Auction Fundraiser we all love so much. This has been a very tough decision but one that makes sense for our campus community. I have reached out to you all early on via email and we have been active on social media in an effort to meet our fundraising goal for the coming year. As a result of our communications we have had some excellent questions and concerns from folks who have been great supporters of the program over the years which I wanted to address with you all. Additionally, I wanted to say a heartfelt THANK YOU to those of you who have already jumped in with both feet and helped us earn almost ¼ of our goal in week one!!! We are currently at \$6,840 of our \$30,000 goal!

To your questions:

1. Can you have the crab feed off campus or at an undisclosed location?

While I so appreciate the support of folks who continue to offer it to make our event go, we feel as though it is in our best interest and that of our fans, alumni and supporters to adhere to local and state regulations in an effort to mitigate any risk in doing something off site.

2. What is happening with the wrestling season?

The governing body, NJCAA, which governs the sport of wrestling at Clackamas Community College has made the decision to move the start date of the wrestling season to Jan 4, 2021. With this move we hope to give ourselves as much time as possible to allow for breakthroughs in how this virus is looked at and treated so that we can get back to as close to normal as possible. That said, our season will span from Jan 4 through the end of April with the new plan.

3. What happens with the fundraised money if you do not have a season?

3. What happens with the fundraised money if you do not have a season?
Full transparency, since we are not fully funded, we have to continue to use fund raised dollars to help supplement scholarships for our athletes, assistant coaches pay and team gear which we plan to honor regardless of what happens with the season. We are absolutely doing everything we can to plan for the season accordingly while being very good stewards of the financial support we do receive. Due to the fact that we missed out on hosting our camps this past summer and will miss out on both the takedown tournament and our college open this fall, we need to be actively working to bring in resources to help us continue to move forward in a positive manner. We also plan to do as much recruiting out and about as we are allowed to which is an expense we cover through fundraising as well.
4. Will I receive a receipt and is the gift tax deductible?
We are working with our fabulous folks at the college's foundation to help ensure you are taken care of once you give a gift. Yes, you will absolutely receive a receipt which helps provide you with the tax deductible information, along with communication from them once the gift has been received. Should you have more specific questions please reach out and I can get you in touch with our friends over there.
5. Other than giving my gift how else can I help?
For me, this is personal and I love this program and the young men we get to serve. So, if you can share the donation link and/or letter with friends who you believe would want to support the great work that gets done here at Clackamas and in our wrestling program, please feel free to share on Facebook, Instagram and Twitter using the link provided in the attached letter.

Finally, our good friend Andrew Stanfield helped edit some of my interview with John Canzano of the Bald Face Truth to provide a shorter opportunity to hear what we do and why we do it. This is a shareable link so that you can allow friends to know what we are doing here as well. Lastly, is the link to our campaign page for you to follow the progress and give a gift to support us as we move into the next Decade of Dominance on the mat and in the classroom.

Subject: Wrestling Wins West Region Championship

Clackamas wins 9th West Region Title in 10 Years!

Coos Bay, OR- The Clackamas Community College wrestling team continued its dominance over the West Region in wrestling Sunday at Southwest Oregon Community College as the men placed all 10 athletes in the finals of the NJCAA National Qualifying event. Seven of the team earned individual crowns and all 10 qualified for March 6-7th NJCAA National Championships where the team hopes to repeat as National Champions. "We get asked a lot what it will take to repeat and honestly we think we have the team and the talent to do it. It just so happens we need support from parents, fans and alumni who are interested in attending. The host team (Iowa Western) is probably right there with us but they have the advantage of competing at home. We would love for folks who want to come share in this journey and be a part of this seasons Championship event to reach out to coach Rhoden via email for details on tickets, team hotel and much more!
