Good Afternoon,

We are looking for your support this summer in making our camps a huge success!

If you are interested in attending or getting a group of wrestlers together for one of our camps please touch base with any questions!

Our **Specialized Technique and Team Technique camps (June 27-30)** are great for wrestlers of all ages and focuses on drilling, technique and live/situational wrestling. It's a great way to build team chemistry and build a strong base for next season.

It was another great season for Lock Haven as we returned from the NCAA D-1 Championships with two All-Americans (Kyle Shoop, 7th, Chance Marsteller, 3rd). Lock Haven placed 18th in the event ahead of Wisconsin, Oklahoma, North Carolina, Northwestern, Pitt, Stanford, Purdue and many others. **Reserve your spot today!**

**This marks the 2nd straight year with 2 NCAA All-Americans and Top 20 Team finish.**

**Camp Dates:**

Specialized Technique Camp: June 27-30th, 2019 (limited to 100 wrestlers)

Team Technique Camp: June 27th-30th, 2019 (limited to 12 teams)

High School Team Camp: July 14-17, 2019

Junior High Team Camp: July 14-17, 2019

**More info at [www.totalcamps.com/lhwrestling](http://www.totalcamps.com/lhwrestling)**

**Lock Haven continues to be the only school in the Top 30 that relies on camp to fund their scholarships! We would love to work with you and your team this summer!**

Please feel free to send me a message with questions. I have attached a flyer for your convenience.

Best Regards,  
Coach Moore
