JV Team Finishes Season with JV COC 3rd Place Finish (at the bottom is a pic of them enjoying time together during a break)

We had four champions, two seconds, and a third place finish. We are excited about the growth this group had, but more excited about the future contributions they will provide our program. They all made us proud for the season they had but what makes me the most proud of them is the selfless efforts they have provided all year and specifically yesterday helping us prepare for the District Tournament this week. Pretty amazing group of young people!

Please join us tomorrow if you can to recognize and celebrate one OUR seniors...Neosho Athletes Sign Letters of Intent

They all served their purpose which was to help us learn/grow and ultimately allow us to be OUR best in the days. As a program/wrestling family - we must enter the postseason and the adversities we will face with an f4 style - fearlessly fighting w/ FAITH to finish! BELIEVE in us and with us...
