

Theraworx[®]
PROTECT

This Summer, Skin Defense Starts With Theraworx Protect

From ringworm to impetigo and beyond, skin infections are the #1 health issue in wrestling. As a result, some wrestling camps are requiring children to take prophylactic antibiotics. With the rise in antibiotic resistance, however, this may not be the best solution. Now you can offer parents a safer alternative for skin protection this summer and all year round—Theraworx Protect, the infection-prevention product partner of the NWCA.

Special Offer for Summer Camps

Purchase Theraworx Protect at \$12 per bottle, and make it available to summer camp families for the retail value of \$20 per bottle. Free shipping. Free returns. And we'll buy back whatever you don't sell! You may even consider rolling the cost of Theraworx Protect into your summer camp fees.

Order Theraworx Protect today by calling **540-421-7972** or emailing john.kaltenborn@avadimtechnologies.com.

Safeguard Wrestlers With Theraworx Protect

Theraworx Protect is a non-toxic, topical solution that provides advanced hygiene and barrier protection. Simply apply Theraworx Protect before and after each day of camp.

Why Theraworx Protect?

Non-prescription hygiene solution

Safe for the face and even sensitive areas of the body

No rinsing required

No sticky residue

Promotes immune health

Download Our Protocols

To encourage proper application of Theraworx Protect, download our [protocol for females](#) and [protocol for males](#) and go over the protocols with camp parents. You can even make copies of each protocol and distribute to families at camp.

Boost Their Training With Phuel

PHUEL topical muscle nutrition is designed to activate muscle function and support recovery, so your athletes can push their limits day after day.
