"I would like to thank Suplay for another great product in the introduction of their Advantage mat tape. We used this mat tape at all of our Outdoor Challenge Wrestling Camps last summer. We have to weekly roll up our mats for other activities at the gymnasium we use. Over the period of 3 camps, we simply lifted up the tape and put it back down diagonally on the mat, rolled it up and at the beginning of the next camp simply taped mats back together. Very impressed with its durability, not only for wrestling activities, but also all the dodgeball games, running activities and other drills that always test out the ability of a tape to perform in keeping seams tight. Great tape and saves money in not having to purchase new tape for each camp cycle!"
