LOCK HAVEN, Pa. - For the first time in his career, East Stroudsburg University men's wrestling junior [Robert Burke](#) was honored as the Pennsylvania State Athletic Conference Wrestling Athlete of the Week, the league office announced Tuesday.

Burke had a perfect 3-0 weekend at the Bob Quade Cyclone Open en route to his first collegiate first-place medal. All three wins were by first-period pins, including pinning a former NAIA national qualifier just over a minute into the first-place match.

Burke becomes the 10th Warrior in program history since 2004 to garner PSAC Wrestler of the Week honors and the first since teammate [Layton Schmick](#) earned the honor last year after his own first-place finish at the Bob Quade Cyclone Open.

On the season, Burke is currently 10-7 overall with six pins.

ESU returns to action this weekend at the 45th Midwest Classic, hosted by the University of Indianapolis. The classic is scheduled for Dec. 14-15, with both days set to begin at 9:30 a.m.
