VA Super 32 Early Entry Tournament

Register at vasuper32.com. This is a highly-competitive tournament early in the fall

that normally draws 400 high school wrestlers from up and down the east coast. Formerly hosted at Skyline High School and Chantilly High School, the 2021 tournament will be hosted at Hayfield Secondary School again which has more room and more mats. The VA Super 32 EE tournament will be run by the same tournament director so you can be confident that it will be run as well as it has in the past.
