YOUTH

Our youth is off to an impressive start. We currently have over 130 kids signed up but anticipate several more from our JH level. Thank you to Dr. Kivett, board, and coaches for the leadership and the investment into this level of our program.

JH

Off to a great start with a great group of kids. Two duals last night and two wins. We had a solid starting point to build upon. Continue to be excited about the potential and progress from these young student/athletes.

Special thank you to Angie Meyer and Ashley Tomlinson for delivering the meals and helping to pass out gear before the dual.

JH Parents - please consider signing your child up for youth if you haven't yet. This is a priceless experience for our preparation as a program. They don't have to wrestle every weekend. I know it is a long season. At the latest next week please have a singlet size to Dr. Kivett if you are going to invest in this opportunity.

HS

We are in one of the toughest parts of the season right now. Two a day practices, working on getting weight down for certification, and no competition - just TOUGH training. The investments now WILL pay off, it's a matter of motivating our kids to believe in the process, stay committed/loyal, and working with intentional efforts to be our best for the battles in front of us.
