Bears Fans, Friends, and Alumni,

It was a good week for our wrestlers as five of them competed in the 2022 US Open. We left Las Vegas with 4 medals and some great momentum to get the summer started. I think our guys were able to gain a lot of confidence from this tournament and are excited to continue to improve this off season.

Ivan Morris and Dyson Kunz started the week off for us finishing 4<sup>th</sup> and 5<sup>th</sup> respectively in the U20 Greco Roman competition. Both were able to execute some big upper body techniques to lead them to victories and both had some gutsy wins throughout the tournament.

In U20 Freestyle, Vinny Zerban had himself a tournament! We are very excited about Vinny and his future with us. Vinny knocked off a few of the top redshirts in the country on his way to the finals before falling to a tough opponent. Because Zerban himself redshirted this season, many of you are probably not aware of his skill set. I will let you know now that he is going to be fun to watch in the future!

To finish the week, Nate Moore stepped into his first Senior level event and was able to place 5<sup>th</sup> amongst the nations best. Nates Greco skills continue to improve each time he steps on the mat, and I believe he has a real future in the sport. All four of these young men have qualified for the world team trials within the next month.
